Looking for something different to do this weekend? On July 24th and 25th, come and enjoy one of our favorite summertime events - the Fitch's Corner Horse Trials in the beautiful hunt country of Millbrook.

One of the region's premier equestrian events, the competitions include dressage, cross-country and stadium jumping, and attract thousands of spectators who come to enjoy the variety of activities.

In addition to the competitions, there's plenty to do including an antique car show and Fitch's

Market, featuring 40 shops displaying everything from designer clothes and jewelry to art and photography. We'll be there showcasing our current inventory of spectacular area horse farms.

For more information on this unique country event, please visit
